

Instructors

Michelle Cosgrove began her musical studies through church choir involvement as a child. This led to the study of flute and piano at The Conservatory in Doylestown, where she currently teaches. Michelle has a Bachelors of Music Education with an instrumental concentration from The College of New Jersey and a Master of Music Performance with flute concentration from West Chester University. She believes that music study should be fun, inspiring and lead to a well-rounded education for every individual.

Gina Frederick is a local landscape designer and native plant specialist. She is owner of Vanderlely Landscaping, specializing in ecological landscape design. Gina studied sculpture and graphics at Bennington College in Vermont where she earned her BA. The use of natural materials and creation of outdoor sculpture installations which developed at Bennington evolved into community-centered gardens and youth art programs during graduate studies at Tyler School of Art where she earned her MA.

Peter Goode is the UFS technology manager and works with the Middle School in their one-one laptop program. He is an integral part of the STEAM program.

Joe Nowosielski is the Executive Producer of creativeTHEATRE. began acting in 1986 and after doing regional and children's theatre for five years, he began producing children's theatre at the Riverfront Dinner Theatre in Philadelphia. He was asked if his group did classes for children that were mobile and from that conversation creativeTHEATRE was born.

Blake Redbone studied fine arts/painting at Pratt Institute, The University of the Arts in Philadelphia and digital animation at The Bell Center For Creative Communication in Toronto, Canada. She has worked in various media and disciplines, from oil portraits and landscapes, to collage, pen&ink, watercolor, digital art and mixed media. Most recently, she completed a book illustration for the environmental book, "Professor Angelicus Visits The Big Blue Ball" by LLB Ward and album art for Leon Redbone's newly released album, "Flying by". Blake is inspired by nature, science, world mythology and creatures in all their spectacular forms.

Johanna Ross, mother of Justin and Angel, has been decorating cakes as a hobby for over 15 years. She is an expert at pipping frosting!

Amy Wall is the UFS Physical Education teacher and the director of the Stretch-n-Grow Youth Fitness Program where she develops physical education programs for preschool, childcare and fitness centers and creates and directs All Star Sports Programs for children ages 2-9. Prior to Stretch-n-Grow, Amy was a kindergarten teacher in North Carolina. Amy received her BS in Early Childhood Education and her BS in Special Education from Lock Haven University. Amy is herself an avid fitness enthusiast and runner.
