### Young Chefs #1

Ages: 4-8  
Instructor: Kim Malcolm  
June 19-23

Perfect for small chefs to learn kitchen safety, teamwork, and how to get organized. Picking fresh herbs and vegetables from our garden will excite young taste buds. Everyone will work at their own skill level. Choices will be offered whenever possible. Campers eat what we make so bring your appetite!

### Games of Strategy, Imagination, and Fantasy #2

Ages: 8-13  
Instructor: Bradley Merkl-Gump  
June 19-23

Includes Qtown Pool!

Campers will spend time playing and mastering various card and board games. They will work on improving old strategies and learn new strategies to win. These games allow campers to use their imagination and enter a different world. If you love learning new games, this is the camp for you!

### Icky, Sticky, Slimy Camp #3

Ages: 4-8  
Instructor: Colleen Albanese  
June 26-30

Campers will have their senses challenged and be amazed as they learn about science through play and experimentation. They will make bubbles that will be large enough to stand inside and learn about the properties of non-Newtonian fluids by making Gak, Slime and Ooblek.

### Technology Camp #4

Ages: 9-13  
Instructor: Betty Cheung  
June 26-30

Includes Qtown Pool!

Do you love technology and wonder how it all works? Learn and explore a wide range of technology including Arduino boards, coding, and robotics. Come and join this creative group for some 21st Century planning, designing and building!

### Arts Camp #5

Ages: 4-8  
Instructor: Sarai Nieves  
July 10-14

Children will explore a new artistic medium every day. Campers express their creativity using paint, clay, collage, sculpture and creative movement.

### Digital Photography #6

Ages: 8-13  
July 10-14

Includes Qtown Pool!

Campers will explore depth of field, symmetry and asymmetry, still life, portraiture and motion photography. Cameras and iPads will be available, but campers are encouraged to bring their own. At the end of the week, students will host a gallery opening, before taking their digital portfolio home.

### Readers' Theatre #7

Ages: 4-8  
Instructor: Colleen Albanese  
July 17-21

Children love to act out stories. Campers will spend time reading cherished stories, rehearsing, and making costumes. On Friday, we will invite guests to our big performance! Campers love to act out cherished stories together.

### Hogwarts Camp #8

Ages: 8-13  
Instructor: Jeanne Caputo  
July 17-21

Includes Qtown Pool!

Do you love the Harry Potter Series? Have you ever dreamed of going to Hogwarts? Join us! Campers who register will receive a special invitation in the mail. They will experience the sorting hat, join a house, make a wand, and participate in classes such as botany and potions. Do not miss the magic!

**Rocket Camp #9**  
**Ages: 8-13**  
**Instructor: Kim Malcolm**  
**July 24-28**

Includes  
Qtown  
Pool!

Curious campers will explore Newton's third law of physics. They will learn all there is to know about rockets. Campers will use a variety of materials in order to make different kinds of rockets.

**Under The Sea #10**  
**Ages: 4-8**  
**July 31 - August 4**

Campers will explore and discover the wonder of life under the sea. This camp is filled with learning about and creating wonderful creatures that live under the sea. Your child can join campers in making jelly fish in a jar, crab paintings, seashell art, etc.

**Jedi Camp #11**  
**Ages: 7-10**  
**Instructor: Sarai Nieves**  
**July 31 - August 4**

Includes  
Qtown  
Pool!

In this camp, Padawans will learn what it takes to be a Jedi - the principles that lead a Jedi: patience, courage, selflessness, standing up and speaking out against injustice. Padawans will make their attire, personalize their light saber, and participate in drills and skills in order to graduate a Jedi. Special Guest, science fiction novelist and screenwriter **Chuck Wendig**, will visit on graduation day.

**Let's Pretend #12**  
**Ages: 4-8**  
**Instructor: Sarai Nieves**  
**August 7-11**

Children love to play castle, rescue workers, doctors, vets, home, shops and markets. Pretend play is at the heart and soul of the young child's learning experience. Allow your child's imagination to be released. Campers will explore various play themes using a generous number of dress-up accessories.

**Sewing: Level I #13**  
**Ages: 8-13**  
**Instructor: Denise Carr**  
**August 7-11**

Includes  
Qtown  
Pool!

Campers will use sewing machines to complete at least three projects: pajama pants, pillow case, and tote. Campers will need to supply a pair of fabric cutting scissors, pins, and 3 yards of fabric for pj pants. Campers who have their own sewing machine are encouraged to bring it. No prior experience necessary.

**3D Construction #14**  
**Ages: 4-8**  
**Instructor: Kim Malcolm**  
**August 14-18**

Campers will act as their own architect, engineer and artist as they build structures big and small from a variety of materials (wood, paper, legos, cardboard, etc.). Kids will venture across the world to learn about different types of dwellings for inspiration.

**Sewing: Level II #15**  
**Ages: 8-13**  
**Instructor: Denise Carr**  
**August 14-18**

Includes  
Qtown  
Pool!

In this Level II sewing camp, participants will learn to make and model their own unique fashion piece. They will plan patterns, learn to pick out the materials for their project, and take a trip to the fabric store. Join us for the fashion show on Friday! Campers will need to supply a pair of fabric cutting scissors, pins, and 3 yards of fabric for pj pants. Campers who have their own sewing machine are encouraged to bring it. Some previous experience using a sewing machine or completion of Sewing: Level I required.
