Spanish Dance

#1

Ages: 4-8
Instructor: Mina Martell-Bolme
June 18-22

Trained in ballet, modern and folk styles, Mina will combine dance and latin cooking to create a fun filled celebration of the Spanish language. Cook amazing foods, learn beautiful dances and celebrate Latin America. Afternoons will be spent exploring paint, shaving cream, bubbles, clay, mud, sand and water outdoors on our lovely mulch playground.

Minecraft

#2

Ages: 8-12
June 18-22

Includes
Qtown
Pool!

Minecraft: Education Edition is an open-world game that promotes creativity, collaboration, and problem-solving in an immersive environment where the only limit is your imagination. Students will learn and collaborate while having a blast playing these games.

Readers' Theatre

#3

Ages: 4-8
Instructor: Shannon Crawley
June 25-29

Campers spend time reading cherished stories, rehearsing, making costumes and acting out their favorite characters. Children will write an original play together. Afternoons will be spent exploring shaving cream, paint, bubbles, clay, mud, sand and splashing in the wading pools or getting wet in the sprinkler. On Friday, we invite guests to our big performance!

Hogwarts Camp

#4

Ages: 8-12
Instructor: Jeanne Caputo
June 25-29

Includes
Qtown
Pool!

Do you love the Harry Potter series? Have you ever dreamed of going to Hogwarts? Join us! Campers who register will receive a special invitation in the mail. They will experience the sorting hat, join a house, make a wand, and participate in classes such as botany and potions. Do not miss the magic!

Icky, Sticky, Slimy Camp

#5

Ages: 4-8
Instructor: Colleen Albanese
July 9-13

Campers will have their senses challenged and be amazed as they learn about science through play and experimentation. Come spend plenty of time outdoors getting messy. Make bubbles large enough to stand in. Make and play with non-Newtonian fluids such as gak, slime and oobleck. Splash around in our wading pools and get wet in our sprinklers.

Percy Jackson Camp

#6

Ages: 8-12
Instructor: Jeanne Caputo
July 9-13

Includes
Qtown
Pool!

Based on the popular Percy Jackson series by author Rick Riordan, this camp features chariot races, mask-making, shields and more. Campers delve into the world of Greek mythology, learn about gods and create their own demigod character. Campers who are not yet familiar with the books will come to appreciate the literature through hands-on imaginative experiences.

Handwork and Crafting

#7

Ages: 4-8
July 16-20

This is a great opportunity to have some good old fashioned summer camp fun. Learn how to make cool crystal egg geodes, pet rocks, and fun objects with felt, mosaic, and beads. Afternoons will be spent exploring shaving cream, paint, bubbles, clay, mud, sand and water outdoors on our lovely mulch playground. Campers will have fun splashing around in sprinklers and wading pools.

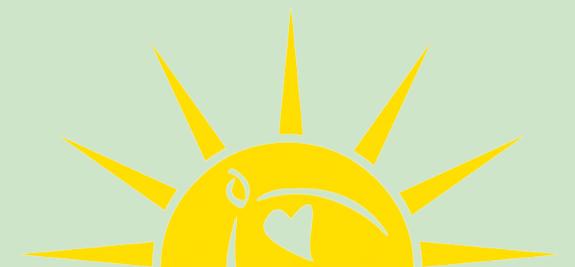

Basketball Camp

#8

Ages: 8-12
Instructor: Jason Brown
July 16-20

Includes
Qtown
Pool!

Campers take part in a variety of drill work. New players will learn the fundamental skills of basketball and good sportsmanship. Experienced players will advance their skills and challenge themselves to do their best. Learn proper footwork associated with taking good shots as well as how to get open and in a great position to take high percentage shots.

UNITED FRIENDS SCHOOL

Music Camp

#9

Ages: 4-8

Instructor: Bethany Schwendy

July 23-27

Songs, movement and rhythm activities abound in this camp. Campers will explore a variety of instruments and have the opportunity to participate in choice time activities such as painting, drawing, building and playing throughout the day. Afternoons spent outdoors on the playground enjoying water play, spent exploring shaving cream, paint, bubbles, clay, mud, sand and water outdoors on our playground.

Digital Photography

#10

Ages: 8-12

Instructor: Terree Yeagle

July 23-27

Includes
Qtown
Pool!

Join professional photographer Terree Yeagle and learn how to create a studio and explore the art and skill of photography. Campers explore lighting, portraiture, still life and nature photography. Campers have the opportunity to get a feel for what it is like to be a professional photographer. Digital cameras will be supplied or campers may bring their own digital cameras.

Superhero Camp

#11

Ages: 4-8

July 30 - August 3

This camp is energized and fun filled. The experiences are gender inclusive and empowering. Discussions about what makes a superhero will take place. Campers will create their own superhero character, superhero story, accessories and defend the universe. Afternoons will be spent on the playground enjoying waterplay and exploring shaving cream, paint, bubbles, clay, mud, and sand.

Woodworking Camp

#12

Ages: 8-12

Instructor: Ben Bowles

July 30-August 3

Includes
Qtown
Pool!

Campers will make a picture frame, cutting board and a keepsake box. Through field trips, children will familiarize themselves with local trees and learn to identify the properties of domestic hardwoods. The camp will give an overview of basic hand tools and safety.

Makerspace Camp

#13

Ages: 4-8

Instructors: Jon Taylor/Shannon

August 6-10

Crawley

Campers use their creativity and imagination to make a homemade pencil; design, build and fly paper and tape rockets; and explore electricity while making a bristlebot. Learn how to code with Arduino microcontrollers, explore 3D printing and much more. This program is a hands-on learning experience with a focus on technology and maker activities.

Machine Sewing

#14

Ages: 8-12

Instructor: Denise Carr

August 6-10

Includes
Qtown
Pool!

Denise comes with a wealth of experience in teaching young people how to sew using machines. Students will learn or review machine basics, safety and organization of project materials. Campers will complete several creative projects. Students will take a trip to Joann fabric store on day one to choose their fabrics. Campers welcome to bring own machine.

Let's Pretend

#15

Ages: 3-7

August 13 - 17

Children love to play castle, house, rescue workers, doctors, vets, and store. Pretend play is at the heart and soul of the young child's learning experience. Campers explore various play themes using stories, crafts and a generous number of dress-up accessories. This camp is designed with the youngest campers in mind so, opportunities for rest will be offered after an exhilarating outdoor play time in the afternoon.

Makerspace Camp

#16

Ages: 8-12

Instructor: Ben Bowles

August 13-17

Includes
Qtown
Pool!

Join creative science and math teacher Ben on a journey of exploration. Build and fly a drone, build a droid and explore electronic circuits, 3D printers, motors, batteries and rockets. This maker camp is sure to stimulate your creativity and imagination.
